All Saints, Never Too Late

A few questions that I need to know

How you could ever hurt me so

I need to know what i've done wrong

And how long it's been going on

Was it that I never paid enough attention

Or did I not give enough affection

Not only will your answers keep me sane

But i'll know never to make the same mistake again

You can tell me to my face

Or even on the phone

You can write it in a letter

Either way i've have to know

Did I never treat you right

Did I always start the fight

Either way i'm going out of my mind

All the answers to my questions I have to find

My head's spinnin'

Boy i'm in a daze

I feel isolated

Don't wanna communicate

I take a shower

I will scour

I will roam

To find peace of mind

The happy mind

I once owned yeah

Flexing vocabulary runs right through me

The alphabet runs right from a to zee

Conversations, hesatations in my mind

You got my conscience

Asking questions that I can't find

I'm not crazy

I'm sure I aint done nothing wrong, no

I'm just waiting cos I heard that this feeling won't last that long

chorus

Never ever have I ever felt so low

When you gonna take me out of this black hole

Never ever have I ever felt so sad

The way i'm feeling yeah you got me feeling really

Never ever have I had to find

I've had to dig away to find my own piece of mind

I've never ever had my conscience to fight

The way i'm feeling yeah it just don't feel right

I'll keep searching

Deep within my soul

For all the answers

Don't wanna hurt no more

I need peace gotta feel at ease

Need to be

Free from pain

Go insne

My heart aches yeah

Sometimes vocabulary runs through my head

The alphabet runs right from a to zed

Conversations, hesatations in my mind

You got my concience asking questions that i can't find

I'm not crazy

I'm sure I aint done nothing wrong

Now i'm just awaiting cos I heard that this feeling won't last that long

chorus x3

You can tell me to my face

You can tell me on the phone

Oooh you can write it in a letter babe

Cos I really need to know

You can write it in a letter babe You can write in in a letter babe(fade)
