

All Saints, Too Nasty

I Know I saw
what you did behind the backdoor oh no
Whyd you have to go and stop the freak show
Now or never look at you the same way again

Coz I hide that you always do it
every time when trying get on thru it

I wish Id never seen you
Doing what you did ya
When youd did it that way

((Chorus))

Ain't got times for your dirty little games no,
don't wanna be a part of your whole grumpy freak show,
stay away, stay away, go, go, cos your too nasty, oh, oh."

Ain't got times for your dirty little games no,
don't wanna be a part of your whole grumpy freak show,
stay away, stay away, go, go, cos your too nasty, oh, oh."
