All The Fun

Miscellaneous

Paul Overstreet (1989)

Well, this guys gotta work where they work real hard and they like to have a good time
At the end of the day its a time to play and they like to go and unwind
Well they make a lot of jokes they laugh and they poke some at me cause I dont like to stay long
And they cant understand why a married man is in a hurry to ever go home

And I just tell em that all the fun that Im ever gonna need I got a-waiting at home for me
Yes she likes to dance and she loves romance and she throws a great party
Yeah theres never any dull minutes around here somethings always going on
All the fun that man could want I got waiting for me at home

Hey I used to be a fool and a sucker for a high time anytime night or day
I had round the clock spies call me and Id be readily on my way
But to tell you the truth, I was lonesome and blue, praying for a little light in my life
Then a miracle came and everything changed when I made that little woman my wife

And let me tell ya that all the fun that Im ever gonna need I got a-waiting at home for me
Yes she likes to dance and she loves romance and she throws a great party
Yeah theres never any dull minutes around here somethings always going on
All the fun that man could want I got waiting for me at home

We got two little kids, calling me daddy, running all over the house
When they finally go to sleep, their mama and me
Cuddle and we snuggle and we party on the couch

Yeah I got all the fun that a man could want waiting at home for me
Yes she likes to dance and she loves romance and she throws a great party
Yeah theres never any dull minutes around here somethings always going on
All the fun that man could want I got waiting for me at home

Yeah I said I got all the fun that a man could want waiting at home for me
