

# All, Uncle Critic

Critic, uncle fucking critic  
Critic, uncle fucking critic  
Critic, uncle fucking critic  
You're always printing shit about me  
You're still five years behind me  
If you know anything about me  
Let's see you pick up a fucking instrument  
Critic, uncle fucking critic  
Critic, uncle fucking critic  
Critic, uncle fucking critic  
So if you got anything to say to me  
Say it to my face  
Don't call me homophobic  
I'm not afraid of you  
If you've got a problem with me  
Let's settle it face to face  
Critic, uncle fucking critic  
Critic, uncle fucking critic  
Critic, uncle motherfucking chicken shit  
Jealous, stupid idiot, bastard  
Wanna-be, fucking critic
