All Wound Up

Another Cloudy Day

Youre Alone
You Miss Her
But Shes Far From Home
No More Blue Skies
Its Another Cloudy Day
Take It For Granted
Ill Never Work
But Youre Thinking
About Her Again
She Lives Too Far Away
You Cant Forget
How Much This
One Girl Means
Your Sun Is Gone
Its Another Cloudy Day
And Shes Gone
She May Not Come Back
But Shes Got Your Heart
And That Might Be Enough
