

# All Wound Up, Dead End

All Wound Up  
Miscellaneous  
Dead End

Tell Your Friends You Havent Changed  
Youre Still The Same Person  
That You Were, Im Not So Sure  
You Think That This Will Help You  
But Its Only There To Calm Your Nerves  
If You Open Up Closed Eyes  
Youd See A Different Picture  
Youre Unaware, Your Friends Still Care  
No One Can Change Things For You  
You Have To Change Things For Yourself  
I See You Walk Down That Same  
Road Again My Friend  
Taking With You The Only Thing  
That Remains Your Life  
No One Has Given Up On You  
We Now Youll Make It Through This  
Phase Youre In, When Will It End  
Dont Wait For It To Drowned You  
Realize The Mess It Put You In
