

All Wound Up, On My Own

Give Me That Open Road
To Where Well Play Tonight
The Thick Smell Of Black Exhaust
And Im Exhausted Now But

Here I Stand
See Me Standing On My Own
I Know This Is Where I Belong
On My Own
See Me Stand
Now Im Standing On My Own
Where I Belong
On My Own

Heres Where My Heart Is
In Front Of All You Kids
Im All Wound Up
Underneath These Lights

This Is What I Live For
I Give It Everything
So Show Me Youre Emotion Tonight
Show Me Whats Inside
