

Allan Gary, All I Had Going Is Gone

Allan Gary
Used Heart For Sale
All I Had Going Is Gone
(Ronnie Rogers/Mark Wright)

The day we met
I'll never forget
Was the luckiest of my life
She took me so far
And I broke her heart
Now I'm sittin` here
With the simple truth
That tears me apart

Chorus:
All I had goin` is gone
The best I'll ever do
Is over and done
It serves me right
'Cause I did her wrong
Now all I had goin` is gone

Sometimes a man
Just don't understand
He possesses everything life can bring
He thinks there's more
So he has to explore
Leavin` her alone
Time after time
Til she wlked out my door

Now it serves me right
She left me alone
Now all I had goin` is gone
