

# Allan Gary, From Where I'm Sitting

Allan Gary  
Used Heart For Sale  
From Where I'm Sitting  
(Garth Brooks/Kent Maxon)

He asked her to dance three songs ago  
Now she pulls him closer as the music slows  
The lights are growin` dim it's just her and him and the band  
Funny, I used to love this song  
I though it was our song but I guess I was wrong  
From where I'm sittin` I can see where I stand

Chorus:  
From where I'm sittin` I can see where I stand  
She's got her head on his shoulder and her heart in his hands  
Thing's are pretty clear when a fool understands  
Lord, from where I'm sittin` I can see where I stand

I've never seen her dance like that before  
Don't think I can take much of this anymore  
He's no longer the stranger and it looks like I am  
I always dreamed I'd see that look in her eyes  
But I never dreamed it would be for some other guy  
And from where I'm sittin` I can see where I stand
