Allan Gary  
Used Heart For Sale  
Her Man  
(Kent M. Robbins)

I'm gonna change my ways of 'doin things around here  
I'm turning over a new leaf ,gonna get my self in gear  
'Cause I've got a women whos better then most,  
and I've made a mess of her plans  
Starting today ,all I'm gonna be is her man

'Cause I've been a wild catter, and a go-go getter  
Been an S.O.B. right down to the letter  
I've had misadventures, I've even got pictures  
I'm even more than I can stand  
But startin` today, all I'm gonna be is her man

I'm gonna give it all back, cause all I've done is take  
Well I've put her on the back burner while I was out on the make  
But I've got a woman who's good enough to give me  
A second chance again  
And startin` today, all I'm gonna be is her man

'Cause I've been a wild catter, and a go-go getter  
Been an S.O.B. right down to the letter  
I've had misadventures, I've even got pictures  
I'm even more than I can stand  
But startin` today, all I'm gonna be is her man

I'm a little bit late but I'm wisin` up  
Now I'm takin` her by the hand  
And startin` today, all I'm gonna be is her man
