

Allan Gary, I Don't Look Back

Allan Gary
Alright Guy
I Don't Look Back
I was born to travel down blue highways
I never seem to learn much from my past
I don't make excuses for my mistakes
I take each day and I live it
Like it was my last

I don't look back
One foot in front of the other
On this one way track I don't look back
I live my life my way
I don't look back

I'm sure there's memories I've missed out on
There's been a couple of loves I've left behind
I haven't found a heart hat I can count on
But don't feel sorry for me
I ain't the lonesome kind

I don't look back
One foot in front of the other
On this one way track
I don't look back
I live my life my way
I don't look back
No I don't look back

I don't look back
One foot in front of the other
On this one way track
I don't look back
I live my life my way
I don't look back
I live my life my way
I don't look back
No I don't look back
No, no I don't look back
I don't look back
