Allan Gary

Living In A House Full Of Love
(Glenn Sutton/Billy Sherrill)

Chorus:

Now love is pouring through the windows
Comin` through the door
I can feel it creepin` through the cracks in the floor
Bouncin` off the walls and the ceilin` up above
Since I found you I'm livin` in a house of love

All my life my hear's been walked on
Women said they loved me my how they talked tellin` me lies
And fillin` my eyes with tears that I couldn't control
I couldn't get a hold of myself long enough to realize
They were only tryin` to pull the wool over my eyes
I found you then the skies turned blue
I'm livin` in a house of love

Once I lived in a hole like a rabbit
I couldn't find love the blues were a habit
A lonely man and I couldn't understand
Why everything I tried went wrong
'Til you came along bless your heart and showed me the right way
You dried my eyes and truned my night to day
And I'm so proud I wanna holler our loud
Tell the world about my house of love
