

# Allan Gary, Lovin' You Against My Will

Allan Gary  
Smoke Rings In The Dark  
Lovin' You Against My Will  
(Jamie O'Hara)

I don't wanna hurt nobody  
Don't wanna make nobody cry  
I don't wanna do wrong, I don't wanna do wrong  
I don't wanna tell no lies  
I'm lovin' you, lovin' you against my will  
Lovin' you, lovin' you against my will

I don't wanna hear the phone ring  
Don't wanna hear your voice on the line  
I don't wanna come to you, I don't wanna come to you  
I don't wanna give in this time  
Girl, I'm lovin' you, lovin' you against my will

Your love is like a deep dark river  
Pullin' me out to sea  
The harder I try to resist you  
The weaker I seem to be

I don't wanna turn down your side street  
I don't wanna pull in your drive  
Don't wanna see you standin' there, don't wanna see you standin' there  
Don't wanna see that look in your eyes  
Girl, I'm lovin' you, lovin' you against my will

Your love is like a deep dark river  
Pullin' me out to sea  
The harder I try to resist you  
The weaker I seem to be

I don't wanna feel your heartbeat  
I don't wanna taste your kiss  
I don't wanna call your name, I don't wanna call your name  
I don't wanna want you like this  
Girl, I'm lovin' you, lovin' you against my will  
Lovin' you, lovin' you against my will
