

Allan Gary, Red Lips, Blue Eyes, Little White Lies

Allan Gary
It Would Be You
Red Lips, Blue Eyes, Little White Lies
(Kostas/Brent Moyer)

Red lips, blue eyes and little white lies
Oh darlin' I'm a fool for you
Hey darlin' why can't you can be true

Red lips, blue eyes and sweet disguise
Oh darlin' the things you put me through
Your little white lies are breaking my heart in two

You come around and tell me that you love me so
You take a little loving then you say you gotta go
I know he's waiting for you on the other side of town
Well I'm a fool to love you baby 'cause I know you're messing around

Red lips, blue eyes and little white lies
Oh darlin' why can't you be true
I'm crazy to love you baby you know I do, yeah

Sooner or later you'll have to face the truth
Little white lies will catch up with you
With nowhere to run and no where to hide
And no one to love you there by your side

Red lips, blue eyes and little white lies
Oh darlin' the things you put me through
But your little white lies are gonna catch up with you
Oh your little white lies are gonna catch up with you
Baby your little white lies are gonna catch up with you
