

Alle Farben, She Moves (feat. Graham Candy)

Far away, far away, in a land where the sun will never rise -- far away, far away, in a place with ma

All alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she m

Carry on, carry on, deeper into the rabbit hole -- carry on, carry on, until you reach the hallway mac

All alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she m

All alone she moves -- into a broken paradise surrounded by the coloured lights -- on and on she m
