## Allen Toussaint, Yes We Can Can

Now is the time Now is the time for all good men To get together with one another Iron out our problems And iron out our guarrels And try to live as brothers And try to find a piece within Without stepping on one another And do respect the women of the world Just remember you all have mothers Make this land a better land Than the world in which we live And help each man be a better man With the kindness that you give And I know we can make it I know that we can I know darn well we can work it out Oh yes we can, I know we can can Yes we can can, why can't we If we wanna get yes we can can I know we can make it a world I know that we can I know we can make it if we try Oh yes we can, I know we can can Yes we can, great, got your money Yes we can, I know we can can Take care of the children The children of the world They're our strongest hope for the future The little bitty boys and girls And make this land a better land Than the world in which we live And help each man be a better man With the kindness that you give And I know we can make it I know that we can I know darn well we can work it out Oh yes we can, I know we can can Yes we can can, why can't we If we wanna get yes we can can I know we can make it a world I know that we can I know we can make it if we try Oh yes we can, I know we can can Yes we can, great, got your money Yes we can. I know we can can Take care of the children The children of the world They're our strongest hope for the future The little bitty boys and girls Make this land a better land Than the world in which we live And help each man be a better man With the kindness that you give And I know we can make it I know that we can I know darn well we can work it out Oh yes we can, I know we can can Yes we can can, why can't we If we wanna get yes we can can I know we can make it a world I know that we can I know we can make it if we try Oh yes we can, I know we can can
