1.

I love you, when you go to school
But I hate you, when you open english book
There is so, many english words
But i hate it, because i'm not english lord

Ref:

Now I don't love you because
You learn in english school (school, school)
Why no Poland school,
Why no Belgium school,
Why no Russian school,
And I hate you because...

2.

I love you, when you making questions
But I hate you when you go to english lessons
Why you're going to the english lessons?
Please stay here and please make more questions
