Allison Iraheta, No One Else I got myself to blame for this<br /&amp;gt; Got myself to blame for my difficult days<br /&amp;gt; And my typical ways but you<br /&amp;gt; You know how to let things slide<br /&amp;gt; I'm all perfect in your eyes<br /&amp;gt; You don't see all the damage in me and<br /&amp;gt; <br /&amp;gt; There'd still be no one else<br /&amp;gt; In the world I could ever find<br /&amp;gt; Likes me when I'm low<br /&amp;gt; And still tolerates me when I'm high<br /&amp;gt; You, you count me down<br /&amp;gt; You kept comin' 'round<br /&amp;gt; <br /&amp;gt; There'd still be no one else<br /&amp;gt; I could lean on a thousand times<br /&amp;qt; Still be there again and again<br /&amp;gt; And never lose his mind<br /&amp;gt; <br /&amp;qt; You know me so well, you can't even tell<br /&amp;gt; That you're like no one else<br /&amp;gt; That you're like no one else<br /&amp;gt; <br /&amp;gt; No, nothing's ever what it seems<br /&amp;gt; But you always seem to be<br /&amp;gt; Who you are even when it gets hard<br /&amp;gt; And you let me kick it to the floor<br /&amp;gt; And you still come back for more<br /&amp;gt; You're too good what did I do to deserve you?<br /&amp;gt; <br /&amp;qt; There'd still be no one else<br /&amp;gt; In the world I could ever find<br /&amp;gt; Likes me when I'm low<br /&amp;gt; And still tolerates me when I'm high<br /&amp;gt; You, you count me down<br /&amp;gt; You kept comin' 'round<br /&amp;gt; <br /&amp;qt; There'd still be no one else<br /&amp;qt; I could lean on a thousand times<br /&amp;gt; Still be there again and again<br /&amp;gt; And never lose his mind<br /&amp;gt; <br /&amp;gt;

You know me so well, you can't even tell<br /&amp;gt;

That you're like no one else<br /&amp;gt;

That you're like no one else<br /&amp;gt;

<br /&amp;gt;

I told you I'd never love you<br /&amp;gt;

You said that it would be okay<br /&amp;gt;

You had enough love for us anyway<br /&amp;gt;

I told you I'd never need you<br /&amp;gt;

But oh, you proved me wrong again<br /&amp;gt;

I pray to God that never ends<br /&amp;gt;

<br /&amp;gt;

There'd still be no one else<br /&amp;gt;

In the world I could ever find<br /&amp;gt;

Likes me when I'm low<br /&amp;gt;

And still tolerates me when I'm high<br /&amp;gt;

You, you count me down<br /&amp;gt;

You kept comin' 'round<br /&amp;qt;

<br /&amp;gt;

Still be no one else<br /&amp;gt;

I could lean on a thousand times<br /&amp;gt;

Still be there again and again and again<br /&amp;gt;

And never lose his mind<br /&amp;gt;

<br /&amp;gt; You know me so well, you can't even tell<br /&amp;gt; That you're like no one else<br /&amp;gt; That you're like no one else<br /&amp;gt; <br /&amp;gt; You know me so well, you can't even tell<br /&amp;gt; That you're like no one else<br /&amp;gt; That you're like no one else
