

Allison Moorer, Mark My Word

You feel it now
But it won't last
Without a doubt
It's bound to pass
Mark my word
Mark my word
Mark my word
It's such a thrill
When love begins
But it's downhill
From here on in
Mark my word
Mark my word
Mark my word
There'll come a day
You'll leave me cold
And I'll say
I told you so
Yeah that's the way
It's gonna go
Mark my word
Make no mistake
You'll change your mind
My heart will break
Just give it time
Mark my word
Mark my word
Mark my word
