

# Allison Moorer, No Place For A Heart

I apologize  
I should've kept it hidden  
Under wraps and out of sight  
At least in the beginning  
But I wanted you to see  
What you meant to me  
Turns out that wasn't smart  
A sleeve is no place for a heart  
Wish I could take back  
the secret that I told you  
But it's too late for that  
Now you know the whole truth  
Three stupid little words  
You never should have heard  
But I let down my guard  
A sleeve is no place for a heart  
Take one last look before it's gone  
It's time I put it back where it belongs  
Next time I will know  
Not to let my feelings show  
I'll keep them in the dark  
A sleeve is no place for a heart
