Some-where down on a back street
Way down deep in the back seat
Where i first learned how to moan your name,

I remember the night i met ya
Ooh sweet mama, i just can't forget ya
Can't stop thinkin' 'bout your crazy love

Crazy love
Crazy love
I love you mama
But you're too bad to change

Crazy love
Crazy love
I love you mama
Uh, uh

I'm laid up here lookin' at my shoes
Stuck here with these hotel blues
I wish you'd only just call me on the phone

Ain't no doubt and i don't mean maybe
Whoo! just can't forget about you baby
Can't stop thinkin' 'bout your crazy love

Crazy love
Crazy love
I love you mama
But you're too bad to change
