

# Ally Kerr, The sore feet song

I walk ten thousand miles,  
ten thousand miles, to see you  
And every gasp of breath,  
I grabbed it just to find you  
I climbed up every hill to get to you  
I wandered ancient lands to hold just you  
and every single step of the way  
I pay  
Every single night and day  
I searched for you  
through sandstorms and hazy dawns  
I reached for you  
I stole ten thousand pounds,  
ten thousand pounds to see you  
I robbed convenience stores  
'cause I thought they'd make it easier  
I lived of rats and toads and I starved for you  
I fought of giant bears and I killed them too  
and every single step of the way  
I pay  
Every single night and day  
I searched for you  
through sandstorms and hazy dawns  
I reached for you  
I'm tired and I'm weak, but I'm strong for you  
I wan' go home but my love gets me through
