

Aloe Blacc, Wanna be with you

I wanna be with you /4x

When i wake up in the morning
i ask myself is there somewhere else that I'd rather be?
and the answer to the question i asked myself
it doesn't matter as long as you're with me

Cause I wanna be with youhoo
you know that is true
I wanna be with youhoohoo-ho
ohooo yes i do
I wanna be with youhoo
and not by myself
I wanna be with youhoohoo-ho
don't wanna be with nobody else

now when I'm looking up at the stars I often wonder why
you're sitting here with me and not up in the sky
but I ain't gonna complain i got myself a good thing
you're an angel but i ain't giving back your wings

Because I wanna be with youhoo
i like your style
I wanna be with youhoohoo-ho
ooh you make me smile
I wanna be with youhoo
and not by myself
I wanna be with youhoo-hoo
don't wanna be with nobody else

there aint no doubt about it im addicted to your drug
no, i cant go without it i've a thing for your sweet laugh

I wanna be with you
till the very last day
i wanna be with you
when im old and grey
I wanna be with you
until the pigs learn to fly
I wanna be with you
till the politicians learn tp stop tellin' lies
I wanna be with you
until hellthys(?) is over
i wanna be with you
until tiger blood gets sober
i wannna be with you
and not by myself.
i wanna be with you
and nobody else

Cause i wanna be with you.
