Ugh, ugh

You tell me you love me, you tell me you care
But when I'm around you, it's like I'm not there
I need a reminder, something I can see
Something on my finger that shines so brightly

Don't you know diamonds are a girl's best friend
When you go they stay with you until the end
Don't you know diamonds are a girl's best friend
When you go they stay with you until the end

Don't want your money, don't want your key
(Diamonds) Love don't come for free
Don't want your money, don't want your key
(Diamonds) Love don't come for free

You send me some roses, but roses do die
You gave me some candy, it melted, nice try
I'm not demandin', I have simple taste
I just want a token that won't go to waste

(Diamonds)

Da, da, da, da, da, woo, ah
Hirns blow
Da, da, da, da, da, da

Don't want your money, don't want your key
(Diamonds) Love don't come for free
Don't want your money, don't want your key
(Diamonds) Love don't come for free

Don't you know diamonds are a girl's best friend
When you go they stay with you until the end
Don't you know diamonds are a girl's best friend
When you go they stay with you until the end

Don't want your money, don't want your key
(Diamonds) Love don't come for free
Don't want your money, don't want your key
(Diamonds) Love don't come for free

Don't want your money, don't want your key
(Diamonds) Love don't come for free
Don't want your money, don't want your key
(Diamonds) Love don't come for free

Don't throw in that towel
Wait a minute
Let's do the next song
