

Alpha Blondy, Come Back Jesus

Why they're fighting war
And I wonder why they're fighting war
Said, I wonder why now
Why they're fighting war
Oh, come back Jesus
Come back light
Come back Jesus, my Lord
Come back love
Oh, come back Jesus
Come back light
Come back Jesus, Jesus, my Lord
Come back love
Bring peace and love
Peace and love
Jesus, Jesus
Bring peace and love
Oh my Jesus
My sweet Je [unverified]
My heart Jesus
My soul aches for you
Teardrops coming through
Why they're fighting war
And I wonder why they're fighting war
Said I wonder why now
Why they're fighting war
Oh, come back Jesus
Come back light
Come back Jesus, my Lord
Come back love
Then come back Jesus
Come back light
Come back Jesus, Jesus, my Lord
Come back love
Peace and love
Peace and love now
Jesus, Jesus
Bring peace and love
Oh, my Je [unverified]
My sweet Jesus
My heart Jesus
My soul aches for you
Teardrops coming through

Love, love, love, love
We need love
Sweet Lord, now
We need you
Unity, that's what the wise man say
Unity, that's what the other man say
And unity, that's what Jah say
So I wonder why
I wonder why they're fighting war
So tell me why
Why they're fighting war
Can someone tell me, why now
Why they're fighting war
Oh, come back Jesus
Come back love
Come back Jesus, my Lord
Come back light
So come back Je [unverified]
Come back love
Bring peace and love
Peace and love

Jesus, Jesus
Bring peace and love
Oh, my Je [unverified]
My sweet Jesus
My heart Jesus
My soul aches for you
Teardrops coming through
