Alpha Blondy, Come Back Jesus

Why they're fighting war

And I wonder why they're fighting war

Said, I wonder why now

Why they're fighting war

Oh, come back Jesus

Come back light

Come back Jesus, my Lord

Come back love

Oh, come back Jesus

Come back light

Come back Jesus, Jesus, my Lord

Come back love

Bring peace and love

Peace and love

Jesus, Jesus

Bring peace and love

Oh my Jesus

My sweet Je [unverified]

My heart Jesus

My soul aches for you

Teardrops coming through

Why they're fighting war

And I wonder why they're fighting war

Said I wonder why now

Why they're fighting war

Oh, come back Jesus

Come back light

Come back Jesus, my Lord

Come back love

Then come back Jesus

Come back light

Come back Jesus, Jesus, my Lord

Come back love

Peace and love

Peace and love now

Jesus, Jesus

Bring peace and love

Oh, my Je [unverified]

My sweet Jesus

My heart Jesus

My soul aches for you

Teardrops coming through

Love, love, love, love

We need love

Sweet Lord, now

We need you

Unity, that's what the wise man say

Unity, that's what the other man say

And unity, that's what Jah say

So I wonder why

I wonder why they're fighting war

So tell me why

Why they're fighting war

Can someone tell me, why now

Why they're fighting war

Oh, come back Jesus

Come back love

Come back Jesus, my Lord

Come back light

So come back Je [unverified]

Come back love

Bring peace and love

Peace and love
