

Alpha, Delaney

Sample : Michel Legrand from "Delaney takes a break"

I've never pretending have the truth
Anyhow I should listened to you
I'm very sorry
Is it right now.

Helen white :

Be a friend
Don't learn at my expense
So concerned
Despite your empty words
I care, be there
But leave me breathing
Don't despair
I know why
I'm so alive

Martin Barnard :

Heads, to say you have it
Tails to say you don't
Lost for words and I think
Time to take you home
Caught you up a ladder
Trying to end it all
Is it any wonder
I believe them all ?

Martin Barnard & Helen white :

You don't see it do you ?
You shouldn't play God
You got something on your mind
Just knock it off
You smile a little more
You stop saying no
You don't seem to be the trying type after all

Martin Barnard :

I break your fall and say
You could have been nothing

Helen white :

Be a friend
Don't learn at my expense
I care, be there but
Leave me breathing
Don't despair
I know why
I'm so alive
To leave me breathing
Don't despair
I know why I'm so alive

Martin Barnard & Helen white :

You don't see it do you ?
You shouldn't play God
You got something on your mind
Just knock it off

You smile a little more
You stop saying no
You don't seem to be the trying type after all

Martin Barnard :

Sight of nothing
Sight of the world
Sight of the
Sight

Helen white :

Be like everyone else
Be like everyone else
Be like everyone else

Martin Barnard :

Do you like, do you like me, let's go away

Helen white :

Be like everyone else ...

Martin Barnard :

Any day now we could leave town,
Down, take a car in London Town, take a London
