

# Alphabeat, What Is Happening?

Oh, when I said I need you so much  
I was dead,  
I was alive when you were right here by my side,  
We both could see  
that I needed you, you needed me,  
And now we both regret,  
Regret what we said.

Oh, when I said I need you so much  
I was dead,  
I was alive when you were right here by my side,  
We both could see  
that I needed you, you needed me,  
And now we both regret,  
Regret what we said.

When we said,  
Don't you ever come back,  
Don't you ever come,  
Don't you ever come back,  
Don't you.

Don't go out tonight,  
Baby can't you see,  
What is happening to you,  
What is happening?

Don't go out tonight,  
Baby can't you see,  
What is happening to you,  
What is happening?

So whose fault is it anyway,  
Don't say,  
We don't know,  
We both know that we made a mistake,  
It's hard to live together forever,  
Well, that's what they say,  
We still regret what we said,  
What we said.

So whose fault is it anyway,  
Don't say,  
We don't know,  
We both know that we made a mistake,  
It's hard to live together forever,  
Well, that's what they say,  
We still regret what we said,  
What we said.

When we said,  
Don't you ever come back,  
Don't you ever come,  
Don't you ever come back,  
Don't you.

Don't go out tonight,  
Baby can't you see,  
What is happening to you,  
What is happening?

Don't go out tonight,  
Baby can't you see,  
What is happening to you,

What is happening?

Uuuuuuuuuuuuuuuuh  
Uuuuuuuuuuuuuuuuh

Oh, when I said I need you so much  
I was scared,  
I was alive when you were right here by my side,  
We both could see  
that I needed you, you needed me,  
And now we both regret,  
Regret what we said, yeah yeah yeah.

Don't go out tonight,  
Baby can't you see,  
What is happening to you,  
What is happening? (hey!)

Don't go out tonight,  
Baby can't you see,  
What is happening to you,  
What is happening? (what is happening?).

Don't go out tonight, (no)  
Baby can't you see,  
What is happening to you, (yea-yea-yea-yea-yea-yea-yea-ih-yeah)  
What is happening?

Don't go out tonight, (no)  
Baby can't you see, (don't go)  
What is happening to you,  
What is happening? (what is happening?).
