

Alphaville, 20.th Century

Alphaville

Afternoons In Utopia

20.th Century

In the beginning

There was no light

No teenage heaven or hell

No songs or voices came from across the outlands

Where oceans were ment to be, where oceans were ment to be

Oh my god, i feel so alone

Some million lightyears far from home

How about you who are living in the 20th century

Carol

You better stop to get the tickets for the starlite show

Everybody wants to be there

What a dream

So if you don't mind, will you join me

On my way through the eye

Up to the light

Into the world
