

Alphaville, Dance With Me

(Gold-Lloyd-Echolette)

When the heat of light melts into the speeding time
When the king returns to the ivory cityside
Let the Magnet Mages wave the signals
Flashing oh so fast
Then you'll meet me there under the moonshine
In a lover's heaven, we'll keep our promises at last
In a lover's heaven we'll forget the past
Do you want to dance with me
Through one of those lonely nights
It's more than a dream
Maybe we're reaching the gardens of delight
Do you want to dance with me
Through one of those lonely nights
It's more than a dream
Maybe we're drowning in empires of delight

In the stardust dawn underneath the crystal roofs
Where the solar boys are playing games
They never lose
Where the sailors are swaying
Through the lightdomes shining in the sky
There you'll meet me, darling, anyway
In a lover's heaven, we'll keep our promises at last
In a lover's heaven we'll forget the past
