Feathers And Tar

you came one night, turned my tide

blood red moon that you are

now i sit here, what can i do

wrapped in feathers and tar

you clutched my back and you bit my neck

stroke me down to the floor

you burn my brain, lay me in chains

and i want more

i'm on my knees, can't you see

i don't know what to do

can't you heal me, can't you feel

that my heart belongs to you

it seems so wrong, that i sing this song

could it be, babe, could it be that you feel the same

but let me tell you, and taht ain't no excuse

where both in the same situation

under each others sign like partners in crime

and nobody needs to tell me

that this ain't the end of the world

it's just one of those crazy moments of the late, late 20th century

but you visit my sweetest dreams and you kindle all of my phantasies

and you're right, it's your name that i scream

don't you feel it, don't you hear me baby...

i'm on my knees, can't you see..

you came one night, turned my tide

blood red moon that you are, now i sit here, what can i do

wrapped in feathers and tar

you paint my lips and you sank my ships and i, i love you so, ilove you so

you see me pray, please go away

no, don't go, don't go, cause i want more..
