

Alphaville, Impossible Dream

sometimes it seems so strange
the way i feel for you
it makes my life so quiet and free
and when you smile at me
it's just that special love
a kind of liberty i never felt before
and i don't need to be a poet
i don't need to be a hero
when all i need to do is keep on loving you
i just have to be me and i don't need to be
the stranger anymore i used to be
in my impossible dream
i keep my fingers crossed
i never want to lose
this new found love that's so alive
i'm so in love with you
my heart has circled in the past
the demons of deceit but now aside i've cast
and i don't need to be a poet
i don't need to be a hero
when all i need to do is keep on loving you
i just have to be me and i don't need to be
the stranger anymore i used to be
in my impossible dream
