

# Alphaville, Into The Dark

Long view into the dark  
Moving your finger  
You gonna make it for sure into the dark  
Master of duel, rendezvoyeur  
This is a walk into the dark  
Playing the ball  
Roll it on but not too fast

There she goes into the light  
Close to your eye  
Breaking the mirror  
Gone out of sight  
Flash in the rain  
Sign of a walk into the dark..
