

Alphaville, Oh Patti

Alphaville

Prostitute

Oh Patti

Patti can't take it, she gotta give it back

The world is a big place and she's frightened

And if you kiss her, she gotta kiss you back

She couldn't stand a kiss for free--

--on her own

And while she's playing with all she exchanged

Yawning at the multitude

Her world is a big place

Full of toys and boys and teddy bears

Where nothing is for free

That's what her mother told her once

And Patti has a big, big heart

Bigger than her life

She just forgot the most fantastic thing within

She's sitting in her glasshouse but she does not dare

To throw the stones to make it all come true

Of what she's dreaming of and so it seems to me

Patti can't take it, she gotta give it back

Her world is a big place and she's frightened

But if you love her, maybe she'll accept

Maybe she'll take your love for free

On her own

All alone
