

# Alphaville, Soul Messiah

Alphaville  
Salvation  
Soul Messiah

There is too much confusion  
Much too much impact of obscene terror  
I wonder why I'm still surfing on this wave of obsession  
Is there a reason to stay any longer  
Waiting for some cool messiah  
Give me a reason to stay here forever  
Waiting for something to come

IS IT MY SOUL  
IS IT THAT GLIMPSE OF LIGHT I NEVER FORGET TO EXPECT  
OR IS IT YOU, SOME KIND OF ANGEL  
THAT KEEPS ME IN WAITING FOREVER

There's too much war on the outside  
Much too much impact of symbols and meanings  
I wonder why I'm still fighting in this ocean of questions  
Is there a reason to stay any longer  
Waiting for something to come  
Give me a reason to stay on this island  
Waiting for something to come
