The Nelson Highrise Sector One (the Elevator)
Time is fleeting
You can't stop time
Hearts are beating
Cause there ain't no time

Dial that number
Stories fly
See their faces,
Empty places

Uh, elevator
Time goes by
Uh, generator
Love flies by good-bye, good-bye

Time is hurting
But it ain't a crime

Someone's bleeding
All the time

Too much tension
In a second
Just repeat it
Cause i need it

Uh, elevator
Indicator
Accelerator

Uh, generator
Turning on,
Turning elevator on
