Alphaville, The Shape Of Things To Come

you should hear the warning if you read the signs play with your own life but don't play with mine

you're living your way, i'm living mine may be tomorrow we will collide

if you knew the action, you see us so blind play with your own life but don't play with mine

the shape of things to come the shape of things to come welcome to the future

boyter, lewis, malcolm, ross/1991
