

# Altar, Sick

Stop your bullshit  
I will never be your friend  
Stop convincing me  
Why don't you understand  
That you are an asshole without hope  
That you belong at the end of a rope  
That your saviour means shit to me  
That I won't be a part of your slavery  
Fuck your God  
Fuck your life  
Fuck your church  
And then your wife  
Stop complaining  
About my attitude  
Stop believing  
That I am in the mood  
To take your blabla serious  
'Bout some who died on a cross  
To be totally fuckin' positive  
Be a dull and boring conservative  
Fuck your book  
Fuck your smile  
Fuck your rule  
Fuck your luck  
Think of it - Asshole  
That I'm sick of it - Asshole
