

Alter Bridge, Life Must Go On

Sitting alone
In the cold of the night
Trying to find
What you need to survive
So afraid
That you can't go on
Left in the silence
That tears at your heart
It only reminds you
How broken you are
You lost your way
But hope is not gone
'Cause the sun always sets
The moon always falls
It feels like the end
Just pay no mind at all
And keep on rolling
Rolling
Life must go on
Do you remember?
And long for the past
When love was eternal
And joy seemed to last
Yesterday
Forever is gone
'Cause the sun always sets
The moon always falls
It feels like the end
Just pay no mind at all
And keep on rolling
Rolling
Life must go on
It must go on
We have our misfortunes
The darkest of days
But we must endure and keep strong
Just look to the morning
The promise awaits
And know that this life must go on
And the sun always sets
The moon always falls
It feels like the end
Just pay no mind at all
And keep on rolling
Rolling
Life must go on
And the sun always sets
The moon always falls
It feels like the end
Just pay no mind at all
And keep on rolling
Keep on rolling
Life must go on
It must go on
Life must go on
Life must go on
So you keep rolling on
Keep rolling on
