

Alton Ellis, All My Tears (Come Rolling)

Honey, I love a pretty little, a little girl like you
All my tears come rolling, all my tears come rolling over you

Ooh, I need to be loved, I need to be kissed,
I need to be hugged and squeezed like this, wha-ooooo
All the time I've got to say to you, my girl
All my tears come rolling, all my tears come rolling over you, over you,
over you

I need to be hugged, I need to be kissed,
I need to be hugged and squeezed like this, wha-ooooo
A-a-a-a-a-ooooo, I love you
All my tears come rolling, all my tears come rolling over you, you, you

/instrumental break/

I need, I need to be hugged, I need to be kissed,
I need to be hugged and squeezed like this, wha-ooooo
A-a-a-a-a-ooooo
All my tears come rolling, all my tears come rolling over you, over you,
over you

Need to be hugged, need to be squeezed
I need to be hugged and squeezed like this, wha-ooooo
A-a-a-a-a-ooooo-oooo
All my tears come rolling, all my tears come rolling over you, you
