

# Alton Ellis, Oowee Baby (Baby I Love You)

Oowee baby, baby I love you  
I love you, baby  
Baby, I want you  
Oowee ba-yay-yay-by, baby I love you  
I love you, baby  
Baby, I want you

Ever since the first day we met  
I loved you, loved you darling  
I hope you won't regret  
Think about it every day  
I'm hoping that you will say:

Oowee baby, baby I love you  
I love you, baby  
Baby, I want you

Some say this and some say that  
I don't care what they say  
I love you, that is that  
I don't care just what they say  
I'm hoping that you will say:

Oowee baby, baby I love you  
I love you, baby  
Baby, I want you

/instrumental break/

Some say this and some say that  
I don't care what they say  
I love you, that is that  
I don't care just what they say  
I'm hoping that you will say:

Oowee baby, baby I love you  
I love you, baby  
Baby, I want you

Oowee baby, baby I love you (I love you)  
I love you, baby (I love you, baby)  
Baby, I want you (I want you, baby)
