Alton Ellis, Trying To Reach My Goal

I don&#039;t know where I&#039;m going
But I sure know where I&#039;ve been
And all the things I&#039;m a-doing
I&#039;d never do again

Got myself a woman
Just waiting to build a home
Just to have some children, yah
We can call our own

Oooh, help me!
I&#039;m &#039;bout to lose my soul
Oooooh, woman!
Trying to reach my goal

Some day I&#039;m gonna do things
To prove it to myself
That loving for my woman
Is all that I&#039;ve got left

I knew it wasn&#039;t easy
But things is much too rough
Said, things are so much harder
And things is rougher than tough

Oooh, help me!
I&#039;m &#039;bout to lose my soul
Oooooh, woman!

Trying to reach my goal
Some day I&#039;m gonna do things
To prove it to myself
That loving for my woman
Is all that I&#039;ve got left

Oooh, help me!
I&#039;m &#039;bout to lose my soul
Oooooh, woman!
Trying to reach my goal

Oooh, help me!
I&#039;m &#039;bout to lose my soul
Oooooh, woman!
Trying to reach my goal

Oooh, help me!
I&#039;m &#039;bout to lose my soul
Oooooh, woman!
Trying to reach my goal
