

# AlunaGeorge, Attracting Flies

Hold on now I'm choking  
Give me a second to collect myself  
You must be joking, otherwise I'm laughing to myself  
Why you here again,  
Hold on a minute, let me check this out  
Your invitation's a fake, must from a take it out  
I hear you out, hear me out  
I hear you shout, I'm now stepping out  
I hear you out, hear me out  
I hear you shout, I'm now stepping out

Let away fairy tales and, little white lies  
Everything you exhale  
Is attracting flies  
And we can go off the wales and you can cry your eyes out  
But everything you exhale is attracting flies

Please stay it's your moment  
I'll give you all the listening that you need  
Don't be so mean  
Who needs the drama, who said you have to bleed  
I'm excited, come on surprise me,  
Sweep me off my feet  
Oh enlight me, what is special think bout you I need  
I hear you out, hear me out  
I hear you shout, I'm now stepping out  
I hear you out, hear me out  
I hear you shout, I'm now stepping out

Let away fairy tales and, little white lies  
Everything you exhale  
Is attracting flies  
And we can go off the wales and you can cry your eyes out  
But everything you exhale is attracting flies

How'd you think you know when you stop igniting  
You know my heart right and you had me aching  
How about a piece of your own medicine  
Know you're outside there tryina get in  
Baby, what would I care if you want me  
Baby, what would I care if you don't  
Baby, what would I care if you need me  
Baby, what would I care if you don't

Let away fairy tales and, little white lies  
Everything you exhale  
Is attracting flies  
And we can go off the wales and you can cry your eyes out  
But everything you exhale is attracting flies.
