

Alvin And The Chipmunks, Coast 2 Coast

(Alvin)

I've been to Alabama,
I've been to Tennessee,
I did a show at the Alamo last week!
And in Louisiana I met Anna and her friends,
She said to come you come to town I'll hang around with you again!

(Chipmunks)

Hey little darlin' let me show you what it's all about
if you wanna see, we'll guarantee to turn the party out!

(Alvin)

Hey!

(Chipmunks)

Come on and ride with the cooler boys!

(Alvin)

Ooh Yeah!

(Chipmunks)

Coast 2 coast
We're on the road!

(DJ)

Everybody gotta make some noise
Get down in the count with them Chipmunk boys!
They're on the road livin' out their dreams,
If you love 'em, really love 'em
Let me hear y'all scream!

(Theodore)

Take a step the left,
Then slide to the right,
Get on your toes and do the Coast 2 Coast!

(DJ)

Yo Alvin

(Crowd)

Yeah!

(DJ)

Hey Simon!

(Crowd)

(DJ)

(Alvin)

I'm living like a star,
Out in Hollywood
Next day we hit New York and it's all good!
And in Chicago,
I see Margo, I say "Baby, Hey!"
In Colorado, by tomorrow, another gig to play!

(Chipmunks)

Every time we jam got a full house for the show!
If you wanna dance, then get on your feet and here we go!
