

# Alvin And The Chipmunks, Thank You

Alvin:

Uh huh this is for the families, ya common  
I wanna thank you (thank you)  
For giving me, everything (giving me, everything)  
That I ever dreamed (ooh ohh oh)  
I wanna tell you (tell you)  
What'cha mean to me (mean to me)  
How ya make me feel (make me feel)  
Like a family (Ohh ohh oh)  
So now I sing (now I sing)  
A song to you (a song to you)  
To let cha know (To let cha know)  
I'm so thankful!

Chipmunks:

Ohh yeahhh!  
You're in my heart (in my heart)  
You give me all the love I need  
Ohhh you're my everything  
My everything!  
You're in my soul (in my soul)  
You give me strength to live my dreams!  
Oohhh you're my everything, you make me sing  
Well, I was lost once (lost once)  
But now I'm found (now I'm found)  
You took my hand (took my hand)  
And never let me down (ohh oh ohh)  
I wanna tell you (tell you)  
What'cha mean to me (mean to me)  
How ya make me feel (make me feel)  
Like a family (oohh oh ohh oh)

Alvin:

So now I sing (now I sing)  
A song to you (a song to you)  
To let cha know (To let cha know)  
I'm so thankful!

Chipmunks:

Ohh yeahhh!  
You're in my heart (in my heart)  
You give me all the love I need  
Ohhh you're my everything  
My everything!  
You're in my soul (in my soul)  
You give me strength to live my dreams!  
Oohhh you're my everything, you make me sing  
Ohh  
Oohhhhh  
Heyy yeahh  
Ooh ohhhh  
Ohh

Chris:

Every time I hear this song  
Makes me wanna shed a tear  
When I sit and reminisce over the ones that ain't here  
Makes you wanna call your mother or your brother say you love 'em  
So please do me that favor  
Next time you see 'em just hug 'em  
And if it's kinda hard to do that  
I understand  
Cuz unfortunately, things don't always go as planed  
I know that if ya can you should take them by the hand  
Look 'em in the eye  
And say, &quot;ya made me who I am&quot;  
Chipmunks:  
You're in my heart (in my heart)

You give me all the love I need  
Ohhh you're my everything  
My everything!  
You're in my soul (in my soul)  
You give me strength to live my dreams!  
Oohhh you're my everything, you make me sing
