

Aly & A.J., Do You Believe In Magic

Do you believe in magic? In a young girl's heart
How the music can free her whenever it starts
And it's magic if the music is groovy
It makes you feel happy like an old time movie
I'll tell ya about the magic, it'll free your soul
But it's like trying to tell a stranger 'bout a rock n' roll
If you believe in magic, don't bother to choose
If it's jug band music or rhythm and blues, just go and listen
It'll start with a smile, it won't wipe off your face
No matter how hard you try
Your feet start tapping and you can't seem to find
How you got there, so just blow your mind
Do you believe in magic? Come along with me
We'll dance until morning, just you and me
And maybe, if the music is right
I'll meet ya tomorrow so late at night
We'll go a dancin' baby then you'll see
All the magic's in the music and the music's in me, yeah
Do you believe in magic? Yeah
Believe in the magic of a young girl's soul
Believe in the magic of a rock n' roll
Believe in the magic that can set you free
Ohh, talkin' bout magic
(Do you believe like I believe?)
Do you believe in magic?
