

# Alyssa Bernal, Never Woulda

(chorus)

Never woulda thought I'd let my guard down  
Now I'm just sittin' here pourin' my heart out  
Never woulda thought we'd make it this far now  
No, no

Never woulda thought I'd let my guard down  
Now I'm just sittin' here pourin' my heart out  
Never woulda thought we'd make it this far now  
No, no

Started with a phone call, turned into love  
Started off slow, now I can't get enough  
Just thinking 'bout your kisses and your hugs  
It just takes me away  
Now I can't imagine how  
What I'd ever be without you  
Every little thing you do  
Let's me know it's true

(chorus)

('Have I told you today how special you are?')  
It's the little things you say like that  
That keep me goin' through my day  
Keep my mind on track

(And) usually it'd be over now  
But with you it means so much more (more)

(So) now I can't imagine how  
What I'd ever be without you  
And every little thing you do  
Let's me know it's true

(chorus)

It's the way you make me feel (it's the way you make me feel)  
Like I can do anything (like I can do anything)  
And with you it's just so real (I wanna give you)  
I wanna give you my everything  
refrein (2x)
