

Amadeus, Supreme

The air seems so heavy...
It's hard to breath
It's hard to stand
Even so hard to live!
Why do I feel so scaried?
Where's my faith
Where's my hope?
Even my destiny?
I wanna scream, scream so loud
Someone please hear me
No one around...
I wanna scream, scream so loud
Someone please hear me
No one around...
My future is so uncertain...
My heart is cold,
My love was sold,
I need a hand to hold!
But I know when night
Grows darker
A shiny morning is coming up
To set your spirit free
Do't be scared
Just calm down
Someone have heard you
Someone around...
Do't be scared
Just calm down
Someone have heard you
Someone around...
Someday you'll see
We won't fear life and love
Just close your eyes
And imagine how would it be
But first we must be strong
And face the fact
That our world now needs a hand to hold
I'll let my dreams lead me
The shine morning now is here
To set my spirit free
I wanna fly, fly so high
Can you see me?
Why don't you try?
I wanna fly, fly so high
Can you see me?
Why don't you try?
Inside our hearts
There is a light
A supreme feeling
That we
Bring and show
Unconsciously
Better days
Will come...
