

Amanda Blank, Make it take it

Gimme that back
you know I make it take it make it take it
Gimmie that back
know Im the make it take it girl X2
Im so direct next level
yeah your good, but my sh*t better
load your gun
been tryin to tell ya
your in my cutest rebel
she said i'll mow you over
he said its cool now girl go over
take it like a man stand like a soldier
boys make noise I'm taking over
I know you want it
these girls are on it
I just can't shake it
you creat it, you can take it
these girls are heated
they stay defeated
he can take the beat and keep us screamin
we can hear it
Gimme that back
you know I make it take it make it take it
Gimmie that back
know Im the make it take it girl X4
God damn yall b*tches
we can cheap trick guys to know im listenin
these girls got cuz they could get it
never own a inch cuz she turn 50
Who wants to be my partner
they jump first but we jump farther
they dont think their staring longer
take it there we take it farther
I know you want it
just cuz i own it
I just can't shake it
you creat it, you can take it
these girls are heated
they stay defeated
he can take the beat and keep us screamin
we can hear it (la la la la)
laa laa laa
la la la la
laa laa laa
la la la la
laa laa laa
la la la la
laa laa laa...
lal lal lal laa X3
Gimme that back
you know I make it take it make it take it
Gimmie that back
know Im the make it take it girl X4
