

Amanda Ghost, Blinman

It must be wonderful to think know it all.
It must be beautiful to really believe in you.
But I am constantly waiting.
I'm looking for your soul.
I am constantly praying.
I've come looking for you, looking for you.
Blind man you do what you can.
You do what you can to be superman.
Blind man I'll do what I can.
I'll do what I can to make you believe.
You must be thrilled to bits the happy hypocrite and
when you're out of it the whole world is with you too.
